Nobody knew who he really was  
But they called him Mambo when he played  
He became the king, king of Latin Swing  
And oh, the music that he made

Hey Mambo  
Did your mama teach you that?  
Hey Mambo  
Did she know what she begat?

They used to come in their fancy threads  
And he always turned them inside out  
They would jam the floor, they would beg for more  
And when they got it they would shout

Hey Mambo  
Did your mama teach you that?  
Hey Mambo  
Did she know what she begat?

Take it away

Hey Mambo  
Did your mama teach you that?  
Hey Mambo  
Did she know what she begat?

Take it away

Do it again

Hey Mambo, hey Mambo, hey Mambo  
Hey Mambo, hey Mambo
