Look at this face  
I know the years are showin'  
Look at this life  
I still don't know where it's goin'

I don't know much  
But I know, I love you  
And that may be  
All I need to know

Look at these eyes  
They never seen what mattered  
Look at these dreams  
So beaten and so battered

I don't know much  
But I know, I love you  
And that may be  
All I need to know

So many questions  
Still left unanswered  
So much  
I've never broken through

And when I feel you near me  
Sometimes I see so clearly  
The only truth I've ever known  
Is me and you

Look at this man  
So blessed with inspiration  
Look at this soul  
Still searching for salvation

I don't know much  
But I know, I love you  
And that may be  
All I need to know

I don't know much  
But I know, I love you

And that may be  
All there is to know, whoa
