Let Freedom Ring
My country 'tis of thee
sweet land of liberty
of thee I see
land where my father's died
land of the pilgrims pride
from every mountain side
let freedom ring
let its music resound throughout the nation
let it celebrate sweet liberty
that is keeping us free and strong
let freedom ring
and let everyone share its inspiration
let the promise not be satisfied
until no one's denied its song
it's a dream to build upon
we take the dream and pass it on
and on and on
and let freedom sing
let freedom ring
for the children of every generation
may the love of freedom always ring
and let everyone sing along
it's a dream to build upon
we'll take the dream and pass it on
and on and on and let freedom sing
let freedom ring
let freedom ring
may the love of freedom always ring
it has brought us this far
it complains who we are
and together we sing
let freedom ring come along
people all over
people all over the world let freedom ring
people all over
let freedom ring
