Red
thjis time you've gone too far

you drank French wine caviare
yes
you've been a red square.
You think Chaikowsky is too deep

but Michael Jagger won't loose sleep

so you just get back there.

Red man sing your song
go go
red man don't take long
no no
no no.

See that man there drinking tea

well he's no friend
he's K.G.B.
So get on the hot line.
They think you're Rasputin too

and they've mad plans recruiting you

deep down in the salt-mines.

Red man sing your song
go go
red man don't take long
no no
no no.
No no no.
No no no.

Balalaika play you're tune I'll sing my song

Sputnick II is floating round my head.
Cossacks dancing on the moon

it won't be long

pretty soon we'll be seeing red.

All the lads in Leningrad
think you've been bad
but don't be sad

you'd better lie low.
Molotov and Vodka too

won't see the situation through

Call Doctor Chivago.
