One has my name
The other has my heart
With one, I'll remain
That's how my heartaches start

One has brown eyes
The others eyes are blue
To one, I am tied
To the other, I am true

One has my love
The other, only me
But what good is love
To a heart that can't be free

So I'll go on living
My life just the same
While one has my heart
The other has my name

One has brown eyes
The others eyes are blue
To one, I am tied
To the other, I am true

One has my name
The other has my heart
With one, I'll remain
That's how my heartaches start

One has brown eyes
The others eyes are blue
To one, I am tied
To the other, I am true

One has my love
The other, only me
But what good is love
To a heart that can't be free

If I could live over
My life, I would change

The one who has my heart
Would also have my name
