"Catch Me"

Wide awake a foulness falling in -
The sweetness of your heart keeps caving in

Reaching out to clear blue sky
Letting go the need to try
Better find a way into your arms

The distance is calling
Come catch me I'm falling
In silence this love will hide

The distance is calling

Falling like a stone in a sea of emotion -
The drowning is so sweet in a web of devotion

Reaching out to clear blue sky
Letting go I need to try
Try to find a way into your arms

Every-thing's perfect tonight
Every-thing's is bright in your eyes

The distance is calling
Come catch me I'm falling
In silence this love will hide

The distance is calling
Come catch me I'm falling
In silence this love will hide
