Hey, what's the deal that's nutty
You never see me caving in for nobody
You know it's trueÂ...
There's a girl, she's not coming for the money
Too close now that is not funny
When she comes for youÂ...
Eyes closed, I jump in the fire
I look back Â- devil's got my desire
Eyes shinning bright, sparkle in the night

So, don't stay in my way, and no matter where you'll be
the next day. You are the world of endless joy.

Don't stop nobody
Like a lesson in my life
Don't stop nobody
Cause I got you on my mind

It will be hard to
Learn a lesson in my life
It will be hard to leearrnÂ...

The stress is all gone, I'm roaming

Ever since I stopped the falling
It starts againÂ...
Another one will open up gladly
Shit just won't stop happening
I should be wareÂ...
This time, I can't take it. Next time, I won't make it.
You are the sunÂ...

So, don't stay in my way, and no matter where you'll be
the next day. This is a world of endless joy.

Don't stop nobody
Like a lesson in my life
Don't stop nobody
Cause I got you on my mind

It will be hard to
Learn a lesson in my life

It will be hard to leearnÂ...

Nobody else gets my message, nobody else like you.

Nobody else gets my message, nobody elseÂ...
