Words tangled in blue  
And I thought  
About you  
Words tangled in blue  
What a mess  
All because of you  
Words tangled in blue  
I wrote them down  
But I didn't send them to you  
Words tangled in blue  
It's always you  
It's always you  
Who should I call?

Who should I call?  
Who should I call?  
Now

Words tangled in blue  
Come away boy  
Nothing calls you  
Words tangled in blue  
Everyone has left  
Except you  
Who should I call?  
Who should I call?  
Who should I call?  
Now
