You think you know me  
Know what i do  
But all you think about is what it all means to you  
I got so much, so much to give  
All you gotta do is be ready, ready to live  
You think you know a lot about my kinda woman,  
But you don't no nothing bout me  
You don't know me  
You dnt know me  
You don't know anything about me  
You dnt know me  
You don know me  
You don't know anything about me  
Saw two women  
Both the same size  
Think your living a nice little life  
Don't think im ready  
To do what i can  
Because your the one that aint the real man  
You think you know a lot about my kinda woman,  
But you don't no nothing bout me  
You don't know me  
You dnt know me  
You don't know anything about me  
You dnt know me  
You don know me  
You don't know anything about me  
You don't know  
You don't know  
You don't know  
You don't know  
You don't know  
You don't know  
You don't know  
You don't know  
You don't know  
You don't get it  
You don't even understand  
Your nothing i know  
Your my jigalo  
You look nice in your clothes  
But your nothing  
Your nothing i know  
Your my jigalo

You look nice in your clothes  
But your nothing but sketchy sketchy  
You don't know me  
You dnt know me  
You don't know anything about me  
You dnt know me  
You don know me  
You don't know anything about me  
You tink you know a lot about my kinda woman,  
But you don't know nothing bout me  
Hahahahahaha
