So, are you ready to go?
Do you wanna go?
Do you wanna go?
Do you wanna go back?
Back to the wild
I wanna go, I wanna go
Back, back to the wild
To the jungle
Take me to the jungle
Let's drink with the animals
Let's smell some flowers
Well meet ... and snaw dragons
Let's get naked

Chorus:

I wanna go back
Back to the wild
I wanna go,
I wanna go back
Back to the wild
To the jungle
Take me to the jungle
I wanna go back
Back to the wild
I hear nature calling me
I hear nature calling me
I wanna go back
Back to the wild
To the jungle
Take me to the jungle

Flash like thunder, like lightening
I hear nature calling me, can you hear it, can you hear
it?
Living an exotic dream
Do you wanna go?
Do you wanna go?
Do you wanna go?

Chorus:

I wanna go back

Back to the wild
I wanna go,
I wanna go back
Back to the wild
To the jungle
Take me to the jungle
I wanna go back
Back to the wild
I hear nature calling me
I hear nature calling me
I wanna go back
Back to the wild
To the jungle
Take me to the jungle

Yeah,
Yâ'all in?
Yâ'all in?
Yâ'all in?
Yâ'all in?

Itâ's a freak show
Itâ's a freak show
Itâ's a freak show
Itâ's a freak show
Itâ's a freak show
Itâ's a freak show

Are you ready to go?
Do you wanna go?
Do you wanna go?
Do you wanna go?

Chorus:
I wanna go back
Back to the wild
I wanna go,
I wanna go back
Back to the wild
To the jungle
Take me to the jungle
I wanna go back
Back to the wild
Letâ's find the silence
I hear nature nature
I wanna go back
Back to the wild
To the jungle
Take me to the jungle

I feel it, I feel the breeze

Glowing moist upon my skin
I hear nature, nature calling me
I hear nature, nature calling me
I hear nature, nature calling me
I hear nature, nature calling me
I hear nature, nature calling me
Come on, let the nature in
