Don't know why you speak to me no more
I wanna hear, if i can hear when you call
Do you really mean that I have might just seem
invincible
Whatever it is, it's bringin' me to pointing the point
Hot n cold
Whip n roll
Hot n cold
Lets just make one thing we can all have when it all
goes down
Uh uh uh uh uh
Now I hear you're talking some nonsense
And I know it's perfectly and completely amissible but
Nicer been silence
And the odds, then our man would otherwise be a liar
Hot n cold
Whip n roll
Hot n cold
I've been to hear you, hear you when you call
Hot n cold
Whip n roll
Hot n cold
Lets just make one thing we can all have when it all
goes down
Uh uh uh uh uh
It makes no sense at all to me
It makes no sense at all to me
It makes no sense at all
Return to slither under my skin
Slide under me, take my veins
And go straight to
The black hole within
Now I hear you're talking some nonsense
And I know it's perfectly and completely admissible but
Nicer than silence
And the odds, that our man would otherwise be a liar
Hot n cold
Whip n roll
Hot n cold
I've been to hear you, hear you when you call
Hot n cold
Whip n roll

Hot n cold
Lets just make one thing we can all have when it all
goes down
Oohh ahhh
Bop bop bop ooooohh
