See that boy just standing over there
He stopped me today said he liked my hair.... Ooh
He asked me where you going tonight...
(err) and I said I'm with my girls... (yea A was on the
run)
To tell you the truth he was just a lil bit..... fresh
He said he liked the way I put my lipstick.... on
He said "how many sugars do you like in your tea?"
(umm)
I said "Forget about the sugar-Have a spoonful of me,
cuz I taste so sweet.."
But I stopped listenin' he got me day dreamin'

[Chorus]

Oh my gosh He's making eyes at me and I don't mind
at all
Oh my gosh He's making my imagination run w-wild

Listen to this yea
There I was with a drink in my hand
No cares in the world didn't have a plan
I turned around and I caught his eye
He made me lose my concentration

Did you get his number? No

Did you get his name? ummm
What score would you give him on a scale of 1 to 10?
I didn't get his number. (I didn't get his number)
I don't know his name.
But I think he's hot y'no and I think he is a 10

[Chorus]

Oh my gosh He's making eyes at me and I don't mind
at all
Oh my gosh He's making my imagination run w-wild
(no no no no no no no)
Oh my gosh He's making eyes at me and I don't mind
at all
Oh my gosh He's making my imagination run w-wild
(no no no no no no no)

Chinese eyes
Ice cube lips
Feel it in da eyes

From your head to your feet
Cuz you look so good i can bo-barely speak
Give me ur digits a can phone u
Got all things I wanna tell you
