You think you know me
Know what I do
But all you think about is
What it all means to you

I got so much, so much to give
All you gotta do is be ready, ready to live
You think, you know a lot about my kinda woman
But you don't know nothing 'bout me

You don't know me
You don't know me
You don't know anything about me
You don't know me
You don't know me
You don't know anything about me

Saw two women both the same size
Think you're living a nice little life
don't think I'm ready to do what I can
Because your the one that ain't the real man

You think you know a lot about my kinda woman
But you don't know nothing 'bout me

You don't know me
You don't know me
You don't know anything about me

You don't know me
You don't know me
You don't know anything about me

You don't know
You don't know
You don't know
You don't know
You don't know
You don't know

You don't get it
You don't even understand

You're nothing I know
You're my jigalo
You look nice in your clothes
But you're nothing

You're nothing I know
You're my jigalo
You look nice in your clothes
But you're nothing but sketchy, sketchy

You don't know me
You don't know me
You don't know anything about me
You don't know me
You don't know me
You don't know anything about me

You think, you know a lot about my kinda woman
But you don't know nothing 'bout me

Ha, ha, ha, ha, ha, ha
