"We March On"

(feat. Yoko Ono)

Millions of kisses fall from the sky,
Millions of tears for sunshine to dry.
Millions of kisses fall from the sky,
Millions of tears for sunshine to dry.

Incandescence, Let them flow.
the rivers, rivers of being.

WE MARCH ON!!! [x4]

Love is being real love
Take my hand,
you'll fly like doves
Sleep aside the steamy crabs
tremble tremble in the dust

Incandescence, let them flow.
the rivers, rivers of being.

WE MARCH ON!!! [x4]

Open like a flower
Come get naked with me
music take me whole
tie me up in melody
just a touch
its all we need
just a kiss....Uh...Ummm..

Day of the sunflowers, we march on,
day of the sunflowers...

We march on [x6]

Open like a flower!

We march on [x4]

Just a touch, ooh, its all we need

Just a touch, mmmmmm, its all we need
Just a kiss, UH! UH! its all we need
Just, just, just a kiss...
Just, just, just, just a kiss...
Just a kiss...

And so they came!
Twenty thousand fishs, flying down from the sky,
pokerdot sun, five miles wide, apple...pie

Uh! Uhhh!

I'm bigger now
when I stretch to the clouds
my feet are bigger than three lagoons
And I can roll like a magnificent beach ball,
striving high!

Uh! Uhhh! Uhhhh!

I touch everything as I roll
The fish tickle my skin
The trees feel so nice on my knees
and nothing is crushed

Ahahahahaha!

Oh its a big soft, a breath of mountain-air

Ahahahahaha!

I reach out for you, but so is the ball red?
My hand stretches for a thousand miles
within the spiral of an infant cosmic coil

Ohohohahahahah!

Cows they look like dots
I'm smaller now, I'm smaller now

Theres no way through the window
and it is lost, it is lost
my dreams and my idol fantasy,
lay in front of me,
as dust.

*[*ONO ORGASM*]*

Rivers of being.

We march on *[repeat to end]*
