Where's your head at
Where's your head at
Where's your head at

Don't let the walls
Cave in on you
We can't evolve alone
Without you
Don't let the walls
Cave in on you
We can't evolve alone
Without you
Don't let the walls
Cave in on you
You get what you give
That much is true
Don't let the walls
Cave in on you
You turned the world away
From you

Where's your head at
Where's your head at
Where's your head at

You have found yourself
Trapped in this
Incomprehensible maze
Where's your head at
Where's your head at

Don't make it easy on yourself
Where's your head at
Got to get
Got to get
Got to get
Got to get

Where's your head at
Where's your head at

Where's your head at
Where's your head at

Don't let the walls
Cave in on you
We can't evolve alone
Without you
Don't let the walls
Cave in on you
We can't evolve alone
Without you
Where's your head at
Where's your head at
We can't evolve alone
Without you
We can't evolve alone
Without you
