I'm always thinking of you  
I'm always dreaming of us  
Don't ever leave me this way  
Don't wanna hear your goodbye

You're not a stranger to me  
You are my angel you see  
You're not a stranger I know  
You're not a stranger at all

Who are you mystery man?  
Tonight show your face  
Show your plan stranger man  
I know that you're real

You're not a stranger to me  
You are my angel you see  
You're not a stranger I know  
You're not a stranger at all

Who are you mystery man?  
Come on!  
I need you now  
What's your game?  
What's your name?  
Come on!  
Say it now
