I love you baby, and if it's quite all right  
I need you baby to warm a lonely night  
I love you baby,  
Trust in me when I say:  
Oh pretty baby, don't bring me down I pray  
Oh pretty baby, now that I found you, stay  
Let me love you, baby  
Let me love you

You're just too good to be true  
I can't take my eyes off you  
You'd be like heaven to touch  
I wanna hold you so much

And baby if you feel like I feel  
And you don't know that it's real  
You're just too good to be true  
I can't take my eyes off you

Pardon the way that I stare  
There's nothing else to compare  
The sight of you makes me weak  
And there are no words left to speak

And baby if you feel like I feel  
And you don't know that it's real  
You're just too good to be true  
I can't take my eyes off you

I love  
I love you baby, and if it's quite all right  
I need you baby to warm a lonely night  
I love you baby,  
So trust in me when I say:  
Oh pretty baby, don't bring me down I pray  
Oh pretty baby, now that I found you, stay  
Let me love you, baby  
Let me love you
