Oh Oh Oh

Everyone looking for something
Anything they can believe in
Without searching in their hearts

oh

Everyone wanna be loved by all
before they catch you in the fall
For they shelter you from the brim (?)

oh

All the People
Everyone with soul (?)
Reach out to someone it's cold and lonely
Cold and Lonely

Oh oh

All the people
Everyone with soul (?)
Reach out to someone it's cold and lonely
Cold and Lonely

Oh oh oh oh oh oh oh
