Iâ€™m still smiling like a beer in a bar

Iâ€™m staring in the mirror while Iâ€™m doing my hair

Iâ€™m putting on my clothes

When I go down the stairs

I open up my mini bar

and make myself a drink

Iâ€™m not an alcoholic but I know what you think

My mood is getting higher

When itâ€™s knocking on my door

Itâ€™s my party home, boys and a girl I want to score

And I donâ€™t have a time to

Take her for a ride

We are going to a crazy college party tonight

-From Mr.Basshunter to myspace, come on!-

What if people just gave a damn, about if I made this music with computer programme

I canâ€™t play the drums or guitar but Iâ€™m still smiling like a beer in bar

I know that this is a weird songâ€™ but you can tell somebody if itâ€™s right or wrong

I just want to show what I can do

So sit right back while Iâ€™m talking to you

-To all the on-line party people out there!-

Arriving to the party

Everyone is there

We are going to have it awesome, I can feel it in the air

Iâ€™m going to the backyard and what do I see?

All the girls are shaking with their ass in front of me

Well this is not my cup of tea if you know what I mean

What if people just gave a damn, about if I made this
music with computer programme

I canâ€™t play the drums or guitar but Iâ€™m still smiling
like a beer in a bar

I know that this is a weird song but you can tell
somebody if itâ€™s right or wrong

I just want to show what I can do

So sit right back while Iâ€™m talking to you

-Alright mates, are you ready to a party??!!-
