La la la...

Ten thousand meters high
Life's not complicated
I guess I'm a lucky guy
But still I find no reason
Why I feel so empty inside
I guess I'm far away from home tonight
Tonight...

All the places where I have been
And the rest of this world to be seen
But I feel that I'm far from home
I don't want to be here on my own

All the places where I have been
And the rest of this world to be seen
But I feel that I'm far from home
I don't want to be here on my own

Far from Home...

Ten thousand meters high
Life's not complicated
I guess I'm a lucky guy
But still I find no reason
Why I feel so empty inside
I guess I'm far away from home tonight
Why I feel so empty inside
I guess I'm far away from home tonight
Tonight...

Far from Home...

All the places where I have been
And the rest of this world to be seen
But I feel that I'm far away from home
I don't want to be here on my own

Far from Home...

I guess I'm far away from home tonight

Tonight
