Hello There

Halláþ dár, vem áttu du som ler sá þu fint mot mig?
Hello there, who are you who smiles so pretty at me?
Halláþ dár, kom nárme, snálla vándin din blick
mot mig.

Hello there, come closer, please, turn your look (eyes)
on me

Jag vill kanna hur du andas, hur du finns intill min
kropp.

I want to feel how you breathe, how (it is)having you
next to my body

Jag ville rára din hud men dá sá kom det ett ljud
som sa:

I want to touch your skin but then arrive a sound that
says:

Halláþ dax att vakna upp, vakna upp.

Hey, you, wake up, wake up

Varje dag áttu som en evighet, varje sekund ja det
kanns som ett ár.

Each day is like eternity, each second I feel (is long as)
a year

Men náttu jag ser dig i min dráttu, ja dá vet jag att
det gáttu.

But now (when) I can see you in my dream, then, yes I
know, (I'll) do it

Á... áttu áttu gáttu att hálla ut tills jag kommer hem till
min sáttu,

Oh, oh, oh I'll hold out (persereve) until I go home to my
bed

fáttu att sedan báttu om och bli váttu páttu
morgonen, snálla láttu mig somna igen!

Because later(it) starts again and being awake in the
morning, (I'll) bag (you) :make me sleep again

Ensam sáttu tvingar jag mig upp, det áttu dáttu fan att det
ska vara sáttu sváttu,

(I'm) Lonely so I force myself to get up, why the hell it is
so hard

Men áttu om min tid státtu still sáttu sjunger jag min
láttu som gáttu;

But even if my time stands still I sing my tune(song,

melody) that goes(like that)

HallÃ¥ dÃ¥r, vem Ã¥r du som ler sÃ¥ fint mot mig?
Hello there, who are you who smiles so pretty at me?
HallÃ¥ dÃ¥r, kom nÃ¥rmre, snÃ¥lla vÃ¥nd din blick
mot mig. Mot mig.

Hello there, come closer, please, turn your look (eyes)
on me.On me.
