La lalalala lala La[\*4)

I will never be afraid again  
I will keep on fighting till the end  
I can walk on water I can fly  
I will keep on fighting till I die

I will never be afraid again  
I will keep on fighting till the end  
I can walk on water I can fly  
I will keep on fighting till I die

La lalalala lala La[\*8]

La lalalala lala La[\*4]  
I will never be afraid again  
I will keep on fighting till the end  
I can walk on water I can fly  
I will keep on fighting till I die

I will never be afraid again  
I will keep on fighting till the end  
I can walk on water I can fly  
I will keep on fighting till I die
