(feat. Lauren)

We connecting from the star
something you being touch my heart
tell me you the feel the same
I just want you next to me
iÂ´m never feel this way again
tell me you the feel the same

so I canÂ´t deny
tell me you the feel the same
tell me you the feel the same

i canÂ´t deny
when i look

next to me
tell me you the feel the same
tell me you the feel the same

I canÂ´t deny
when i look
and you smile
You make me feel
we can side
and i canÂ´t deny

I canÂ´t deny
when i look
and you smile
You make me feel
we can side
and i canÂ´t deny

I canÂ´t deny
