You can make the sea turn purple  
You can make the seeds unfertile  
But you know you can never make me love you more  
You can turn wine into water  
Turn sadness into laughter  
But you know you can never make me love you more

Let the stars fall down  
Let the leaves turn brown  
So you know you can never make me love you more  
Let the rainwoods die  
Let the wells run dry  
So you know you can never make me love you more

"Everybody In The House Come On"

"Bass In Your Face"

You can make the sea turn purple  
You can make the seeds unfertile  
But you know you can never make me love you more  
You can turn wine into water  
Turn sadness into laughter  
But you know you can never make me love you more

Let the stars fall down  
Let the leaves turn brown  
So you know you can never make me love you more  
Let the rainwoods die  
Let the wells run dry  
So you know you can never make me love you more

Let the stars fall down  
Let the leaves turn brown  
So you know you can never make me love you more  
Let the rainwoods die  
Let the wells run dry  
So you know you can never make me love you more

Wow!

Let the stars fall down

Let the leaves turn brown  
So you know you can never make me love you more  
Let the rainwoods die  
Let the wells run dry  
So you know you can never make me love you more
