[Intro]

[Verse]

When I'm gone  
Like the northern light  
I'll shine down on you  
I will keep my magic sparkle brighter and higher for  
you  
I can see sadness in your eyes  
Remember our love will never die  
To watch your future from afar  
Will surely leave me scared

[Bridge]

But I have to face my demons  
I have to realize  
that i can't be with you anymore  
but it is alright  
yeah it's alright  
yeah it's alright  
you just gotta be strong

[Chorus]

Cause when i am gone like the northern light  
i'll shine down on you  
I will keep my magic sparkle brighter and higher for  
you

When i am gone like the northern light  
i'll shine down on you  
I will keep my magic sparkle brighter and higher for  
you

[Verse]

I know that it might seem unfair  
that's tomorrow are not ours to share  
But let me guide you when your lost

I am so much more than shadow and dust

[Bridge]

But I have to face my demons  
I have to realize  
that i can't be with you anymore  
but that is alright  
yeah it is alright  
yeah it is alright  
you just gotta be strong

oooooh  
oooooh  
oooooooooooooh  
oooooh  
oooooh  
oooooooooooooh

[Chorus]

When i am gone like the northern light  
i'll shine down on you  
I will keep my magic sparkle brighter and higher for  
you

[Outro]
