When I'm gone
Like the northern light
I'll shine down on you

I will keep my magic sparkle
Brighter and higher
For you

I can see sadness in your eyes
Remember our love will never die
To watch your future from afar
Will surely leave me scarred

But I have to face my demons
I have to realize
That I cannot be with you anymore
But it's alright

Yeah it's alright
Yeah it's alright
You just gotta be strong

'Cause when I'm gone
Like the northern light
I'll shine down on you

I will keep my magic sparkle
Brighter and higher
For you

When I'm gone
Like the northern light
I'll shine down on you

I will keep my magic sparkle
Brighter and higher
For you

(Instrumental)

I know it might seem fair
But tomorrow's not ours to share

But let me guide you when your lost
I'm so much more than shadow and dust

But I have to face my demons
I have to realize
That I cannot be with you anymore
But it's alright

Yeah it's alright
Yeah it's alright
You just gotta be strong

Whoah ohh ohh ohhhh
Whoah ohh ohh ohhhh

When I'm gone
Like the northern light
I'll shine down on you

I will keep my magic sparkle
Brighter and higher
For you
