Blast out, speakers, I am the seeker  
Blast out, speakers, I am the seeker  
Blast out, speakers, I am the seeker  
(Bang this future world) Best kept secret

Spit heat rocks on the track-track  
Spit heat rocks on the track, or a boombox  
Spit heat rocks on the track, or a boombox,  
seat hot, cuz we won't try to be where sheet knock  
Spit heat rocks on track, track-track (Boomboxx)  
Spit heat rocks on the track, or the boombox (boombox)  
Seat hot, blablblast out  
Blast out speakers, I am the seeker.  
Bang this future world, best kept secret  
Boom, boom, boom, boombox.  
Boom boom.  
Seat hot, blablblast out.  
There's nothin in life that I can't achieve, cuz there's  
nothin in life that I can't achieve.  
Cuz there's nothin in life thatblas-blast out  
Blast out speakers, I am the seeker. Bang this future  
world, best kept secret
