When the child was just a child  
It did not know what it was  
Like a child it had no habits  
No opinion about anything

Maybe I will get a job  
Get a job as a waitress  
Maybe waiting tables in a diner  
In some remote city down the highway

After all that we've been through  
I know we'll make it after the wait  
The question is a truth  
There is nothing we can't do  
I'll see you along the way baby  
The stillness is the move

On top of every mountain  
There was a great longing  
For another even higher mountain  
In each city longing for a bigger city

After all that we've been through  
I know that I will always love you  
From now until forever baby  
I can't imagine anything better

After all that we've been through I know we'll make  
It after the wait the question is a truth there is  
Nothing we can't do I'll see you along the way baby  
The stillness is the move

Isn't life under the sun just a crazy dream?  
Isn't life just a mirage of the world before the world?  
Why am I here and not over there?  
Where did time begin  
Where does space end  
Where do you and I begin?
