We'll hit the road and just drive.  
To listen's just another game to play with you.  
I'll even let you win this one your way.  
I'll even let you win this one your way.

I'll meet you where the suns set tomorrow,  
you'll be on the other side, yeah,  
telling what our future has in store for me and you.

How long do you think I'll stay?  
I'd put my money on it that you don't even know.  
Tonight, tonight, I'm outta here.  
Cause I am tired of waiting.

I'll meet you where the suns set tomorrow,  
you'll be on the other side, yeah,  
telling what our future has in store for me and you.
