Whenever I am feeling low  
Whenever things start moving slow  
And everything I do seems to go wrong

That's when I run straight to you  
Cause that's where skies are always blue  
And music plays the whole night through  
Cause, love, you are a song

[CHORUS]

As long as I'm with you  
I hear singing  
As long as I'm with you  
Bells keep ringing  
As long as I'm with you  
I know I'm right where I belong  
And I hear music cause you are a song

Whenever troubles get me down  
Whenever smiles give in to frowns  
And the blues start  
Hanging round too long

I find my way to you again  
Guiding by a gentle wind  
I hear the strings of violins  
Cause, love, you are a song

[Repeat CHORUS 2x to fade]
