"Control Of Own Hole"

Harmful Shits, Pain Of Belly
Is It For The Earth Or Own Ego ?
What Can You Born?

Desideratum Or Disappointment
Don't Forget Shitting On Unkown Distance
For Next Generation

In Given Life, Put For Dying
Is It For Money Or Harmony ?
Foolish Production

We Must Confront
To Keep The Control Of Own Hole
In A Garden Of Litter
In A Burden Of Life

Defecation Or Disposable Marker
Why Don't You Are
That Act Will Be Distress
Of Your Descendant

Persist Poor Shit

Control Of Own Hole
