Innumerable Loose Ass
Imitation On Commercialism
Mindcontrol By Fake Stink
Why Can Your Ass Accept It ?

Don't Make A Joke
Their Songs Are Street Music
Only Running After Hip, Crazy To Make A Money
This Stink Is Born From Their Perfume
But I Think It Is Better Than Our Piss
Don't Make A Shit
Their Styles Are In Big Business

Ignorance, This Hole Is Not For Insertion
It's For Outlet

Invadeing To Our Hip With Television
Their Underground Manner Needs Money And Pussy
Cat
Fuck Hip Raper
Don't Knock At Our Door, We Have Iron Ass

Fuck Hip Raper, Don't Know The Meaning Of Squat
We Have Iron Ass To Keep The Blood Of The Shitting
