Walking Our Several Ways Slowly  
Digestion Under Reason, This Intestine Is So Long  
Lost Yourself To Work For Business Everyday  
Who Is In War, Who Is in love, Where Am I ?  
Probably We Know Where Is Goal Of This Way  
But Wandering In The Body To Find Own Exit  
Only Going Dwon By The Law Of Gravitation  
This Bowels Is A Winding Path, Is It Life ?

I Shitted And Who Died, Who Is Next ?  
Pace Of Parade

Such Is Life, Mean The Shitting Is End

Pavement For Shitter

True Goal, Gate To The Hell  
Don't Feel Them And Don't See Yet  
Our Asshole Is On Unseen Place  
If There Is Goal, Lets Walk

Meaningful Parade

If You Could Walk By Youself  
Please Find Your Final Rest Room
