Countless Tributaries Of A River  
Where Is It Going ?  
I Drink And Thinking About It  
But Really Need Snack  
And My Blood Vessel Wants Beer  
Why Am I Drinking ?  
Repeat It And Thinking Again  
And Really Need A Snack

Parched Ground Wants Rain  
My Body Needs a lot Of Beer In Summer

What Is Temperance ?  
What Is Riotous ?  
What Is Good Behavior Of Beer ?

And Autumn Comes To Call The Harvest Season  
I'll Know  
My Blood Vessel Is Going To The Intestines  
To Make Sausage

Drink And Eat  
Sausage For Souse  
In Toilet  
Drink In Congratulation Every Morning

Sober Lifes Will Stop My Bowels  
Sottish Vision Will Make Nice Dish
