Ace of Spades

If you like to gamble I tell you I'm your man

You win some loose some it's all the same to me

The pleasure is to play makes no difference what you
say

I don't see the green the only color for me is the ace of
spades the ace of spades

Going for the high one dancing with the devil

Going with the flow it's all a game to me

Seven come eleven snake's eye is watching you

Double up or quit the devil takes a split the ace of
spades the ace of spades

You know I'm born to loose and gambling is for fools

But that's the way I like it baby I don't wanna live
forever

Don't forget the joker

Pushing up the anty I know you've gotta see me

Read them and weep the dead man's hand again

I see it in your eyes take one look and die

The only thing you'll see you know it's gonna be the ace
of spades the ace of spades
