Amazing grace by Batmobile
You close your eyes when our lips collide
You keep me warm when I get inside
Your tender smile and warm embrace
perfect body, You're my amazing grace

When we get close and I feel our love
I feel alive I can't get enough
Your tender touch and warm embrace
I feel our love, You're my amazing grace

I feel that all I have to do
Is nothing more than set you free
And all I ever have to do
Is noting more than be just me
