"Bombenkrieg"

Royal Airforce on the prowl, great in numbers - take off
time

Locked and loaded, sky it burns - taken by surprise

Bombs with gas and fire charged, target acquired

Head on full scale war, citizens must die

Deathstrike Retaliation

Bombenkrieg

The fire burns

No regrets and less remorse, cities molten to the core

Humans trapped in fire cages, apocalyptic signs

Million victims pay the price, become unidentified

Sadistic chain reaction, this fight is eye for eye

Discharge

Tons of death

Payload

Must destroy

German

War Machine

Third Reich

In the noose
