Burning Love

Lord almighty I feel my temperature rising
Highre higher it's burning through to my soul
Girl girl girl you've gone and set me on fire
My brain is flaming I don't know which way to go
Cause your kisses lift me higher
Like a sweet song of a choir
And you light my morning sky with burning love
Ooh ooh ooh I feel my temperature rising

Help me I'm flaming I must be a 109
I'm burning burning burning and nothing can cool me
I just might turn into flames but I feel fine
It's coming closer flames are now reaching my body
Won't you help me I feel like I'm slipping away
It's hard to breath and my chest is a-heaving
Lord have mercy I'm burning a hole where I lay
