Do You Wanna Touch

You've been here too long trying to get along

Pretending that you're oh so shy

But I'm a natural man true I know I can

My temperature is running high

Friday night, no one is in sight

Have we got so much to share

Talking's fine if you got the time

But I ain't got no time to spare

REF:

Do you wanna touch, yeah (2x)

Do you wanna touch me there

Do you wanna touch yeah (2x)

Do you wanna touch me there, where, there, yeah!

Every common boy needs a little joy

All you do is sit down and stare

Beggin' on my knees baby won't you please

Run your fingers though my hair

My oh my whiskey and rye can't you make me feel so fine

Right or wrong don't it turn you on can't you see we're waiting time
