Gimme some pussy

Well I don't need booze to keep me satisfied  
I need some pussy to feel just right  
I don't need a 20 inch finned rockin' car  
And I don't need the liquor from my old fruit  
I gotta get me, gotta get me some pussy  
Don't need them black denim trousers or a motorcycle-  
jacket  
Don't need a motorbike because I'd only  
wreck it  
Don't need a long drapecoat or some blue suede shoes  
Just gimme a woman or I'll cry the blues  
I gotta get me, gotta get me some pussy  
Well I don't need a babe I don't need a lover  
Committment to a baby makes me choke and smuther  
Don't need no shit to make me feel just right  
Well a big hunk of love and I feel satisfied  
I gotta get me, gotta get me some pussy  
You gotta gimme, gimme some pussy
