Homicidal Girl

My baby's got a shotgun she puts it in my mouth
When I don't do what she says she's gonna blow my
fucking brains right out
My baby's got a chainsaw she lays it in my neck
When I don't do as she says I aint gonna gonna find my
head back

I got a homicidal baby

Homicidal girl

She's the terror of the town and you don't mess around
with

My homicidal girl

My baby's got a nightstick she taps it on my head
When I don't do as she says she's gonna hit me till I'm
dead
