Ice Rock

A horse a chicken and a goat
All jumped into a big lifeboat
The captain said knock knock knock
The ship's gonna sink by the hot ice rock
Ice rock a chicken and a goat
Ice rock into a big lifeboat
Ice rock he said knock knock knock
The ship's gonna sink by the hot ice rock
Put on your big flat snow shoes
Dance all night and sing the blues
We ain't got no time to talk

When we're doing that hot ice rock

Ref

Cut down the sails and don't you wait
All we'll be is shark bait
The whole ship is in a shock
When we bumped that big ice rock

Ref

Way down on the deck was a guy called Mack
He could take a lot but this made him crack
Handsome Pete afraid to loose his face
Dived in the waves left without a trace
