Kiss me now

I want you in my arms I'm crazy 'bout your charms and  
I'm never gonna let you go

When I'm in the mood you make me feel so good and I  
wanna gonna love you so

I can't get enough of that crazy thing called love baby it  
feels so right

I wanna and I'm gonna make love to you baby with all  
my might

Kiss me now

I'm sitting in my fridge I've got that burning itch and  
that itch will never stop

I'm gonna swim the Nile I'm gonna run the fastest mile  
but my energy is still at top

40 cups of coffee aren't even enough to keep doing  
what I wanna do with my sweet love

Hey baby don't you be a square if you can't find a  
partner use a wooden chair

Everybody let's rock

Repeat all
