"Night Without Sleep"

Alone in this bedroom a 1000 miles away
Climbing up the walls cause I won't see you today
Baby when I'm without you I'm in trouble deep
Awake all night it's a night without sleep

Night Without Sleep

The walls are coming to me babe I'm a mental mess
Love has many faces and I'm going mad I guess
The picture on the wall is turning into a creep
Away these nights it's a night without sleep

Night Without Sleep

When I'm coming home it's like a dream come true
Don't give a damn about them gals all I want is you
Coming though the frontdoor with a leap
And we're gonna have a night without sleep
