Raw dick by Batmobile

When you love me baby you just get me hot

When you show me all your body has got

I want to start right away don't want to loose any time

I want to make out baby 'till we're covered in slime

I want to fuck 't'ill I get you sore and my dick gets raw

I want to fuck you 'till I'll get too sore and my dicks get raw

When you show me your curves and you show me your waves

I want to get on top and go down in your caves

I feel you burning when I get inside

And we will get in a cramp that will last all night

I want to fuck 't'ill I get you sore and my dick gets raw

I want to shake it 'till I get you sore

And my dick gets raw

When you slide like a snake and you slither in bed

I wanna blow my top and I will loose my head

And when our love is melting inside

We will get in a cramp that will last all night

I want to fuck 't'ill I get you sore and my dick gets raw

I want to shake it 'till I get you sore

And my dick gets raw
