Shoot Shoot Shoot him from the waist up
No chance they're gonna see his legs vibrate
Shoot Shoot Shoot him from the waist up
Try it one more time now it's getting late
First time they showed him on the Sullivan Show
They only got his head when Elvis said go cat go

Shoot Shoot Shoot him from the waist up
This boy is evil this boy is mean
Shoot Shoot Shoot him from the waist up
The biggest insult to music ever seen
Try to make him vanish from the TV screen
Try to make him vanish from the rock 'n roll music scene

Shoot shoot shoot him from the waist
That boy is a public disgrace
A little thing in that time they didn't know
That boy would be the first crowned King of Rock and Roll

Shoot Shoot Shoot him from the waist up
This man is the devil in disguise
Shoot Shoot Shoot him from the waist up
Satan is showing right through his eyes
Make him vanish from the TV screen
Make him vanish from the rock 'n roll music scene

Shoot shoot shoot him from the waist
That boy is a public disgrace
A little thing in that time they didn't know
That boy would be the first crowned King of Rock and Roll

Solo

Shoot shoot shoot him from the waist
That boy is a public disgrace
A little thing in that time they didn't know
That boy would be the first crowned King of Rock and Roll

Shoot Shoot Shoot him from the waist up
Today these words mean nothing anymore
Shoot Shoot Shoot him from the waist up
The kid's showed them now that's for sure
Shoot Shoot Shoot him from the waist up
Shoot Shoot Shoot him from the waist up

Remember shoot shoot him from the waist
Remember that boy is a public disgrace
Remember how they all hated him so
Forever he will be the king of rock 'n roll
