Chaosbringer - Cenotaph  
Mythology - Wargod

Warrior from another sphere  
Primitive blunts and technology  
Commander of new heathen hordes - Warfiend

Ruthless tyrant from the abyss  
Torture follows in your wake  
Misery and plague across the land - Warfiend

Summon thrash and rotting scum  
By stone and steel your war be won  
Carnage and feasting, no mercy - Warfiend

Charge!

Bridge and outpost under siege  
Marching on to victory  
Execution guaranteed - Warfiend

Obscure is pride from demon ghouls - possessed!  
Satanic Rites trample fiery paths - attack!

Minotaurs and battlehymns - succumb!

Kiss the beast - swear the oath  
Lay your life - in hands of war

Obscure is pride from demon ghouls - possessed!  
Satanic Rites trample fiery paths - attack!

Warrior from another sphere  
Primitive blunts and technology  
Commander of new heathen hordes - Warfiend

Ruthless tyrant from the abyss  
Torture follows in your wake  
Misery and plague across the land - Warfiend

Charge!
