Chaosbringer - Cenotaph
Mythology - Wargod

Warrior from another sphere
Primitive blunts and technology
Commander of new heathen hordes - Warfiend

Ruthless tyrant from the abyss
Torture follows in your wake
Misery and plague across the land - Warfiend

Summon thrash and rotting scum
By stone and steel your war be won
Carnage and feasting, no mercy - Warfiend

Charge!

Bridge and outpost under siege
Marching on to victory
Execution guaranteed - Warfiend

Obscure is pride from demon ghouls - possessed!
Satanic Rites trample fiery paths - attack!

Minotaurs and battlehymns - succumb!

Kiss the beast - swear the oath
Lay your life - in hands of war

Obscure is pride from demon ghouls - possessed!
Satanic Rites trample fiery paths - attack!

Warrior from another sphere
Primitive blunts and technology
Commander of new heathen hordes - Warfiend

Ruthless tyrant from the abyss
Torture follows in your wake
Misery and plague across the land - Warfiend

Charge!
