I mean everything that falls out my mouth,  
When I throw my arms around you.  
I love you like family,  
I love you like you don't know,  
When I throw my arms around you.

I know I dance like a drunken arse,  
Every weekend, it's my only vice.  
Let me drink myself to death  
To forget about the rent.  
Money gets like a twisted snake,  
Hissing, ?I'll show you more if you meet me here.

Come over, come over, come over here!'

And if I said, 'This is my only tendency,  
This is all I have left, you see.'  
Would you believe me?  
Would you believe me now?

You think that it's not enough?  
Well Fella, I'm all grown up.  
It's clear that we don't breath the same air.  
Well I'm moving on and up,  
But I'm still the boy you knew
