I think I'm gonna be sad,
When all I show you,
Is a man who's only going bad.
Come on stay by my side,
See the wicked in me,
Tell me will it make you say,
'Who is this at my door?
I don't know what you are looking for.
Please remain by my side
And tell me anything, absolutely anything you like.'

I don't want to cause a fuss, but look what's eating me,

Is this the person I am?
Is this the person I am?
Is this the person I am?
Is this the person I am?
Look what's eating me

Hello I know who you are.
And if I ever get through this

I'll never stop watching from afar.
Why don't you come see how
You turn my insides out?
You turn my insides out, you wicked owl.

No I don't want to cause a fuss, but I already have.

Look what's eating me,
Is this the person I am?
Is this the person I am?
Is this the person I am?
Is this the person I am?
Is this the person I am?
Is this the person I am?
Is this the person I am?
Is this the person I am?
Is this the person I am?
Is this the person I am?
Look what's eating me
Look what's eating me
Look what's eating me
